

# INTERNATIONAL **Engineering Summit**

From August 29<sup>th</sup> to September 2<sup>nd</sup>, 2023

GUEST PACKAGE COMMUNICATIONS

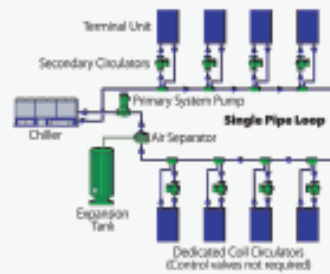

# Taco Comfort Solutions®

## UNIVERSITY

### The Ultimate Hydronics Training Experience

#### HSS Software

Optimizing Chiller Plants  
for Peak Performance

## PACKAGE

Thank you for registering for our International Design Build Engineering Summit. We are excited about your upcoming visit to TACO Learning Center in Cranston, Rhode Island. We hope you are looking forward to this trip as well. The TACO team has taken care to provide for your learning courses, hotel accommodations, local transportation, meals, and entertainment.

This experience will be one of the most valuable, entertaining, and relaxing you have ever had.

During your stay, you will attend the following seminars:

**RIGHT SIZING  
CHILLER PLANTS**

**CHILLED WATER  
PIPING SYSTEMS**

**HIGHLY EFFICIENT COMFORT  
THRU HYDRONICS**

**CONTROLS FOR VARIABLE  
PRIMARY FLOW SYSTEMS**

**MISSION CRITICAL  
THERMAL STORAGE**

**HYDRONIC SYSTEM  
SOLUTIONS HSS**

In this package, you will find information about this summit including:

- Agenda
- Arrival Information
- Activities
- Hotel Information
- Much More!!!

We are looking forward to a successful seminar and if you have any questions or need more details, please contact the International Team.

See you soon!

TACO International Team
